

Nepal Medical Council Licensing Examination (NMCLE)

**If You wish to study MBBS in
Nepal - Then this is for you**

Why Knowing About NMCLE is Important for Indian Student

+91 90430 33360

- The National Medical Commission (NMC) of India mandates obtaining a medical license in the country of study.
- If you study MBBS in Nepal. without obtaining an NMCLE license after completion of MBBS Degree, Indian students will not be eligible to practice in India.
- This Ensures compliance with Indian regulations for overseas medical graduates.
- Essential for a smooth transition to medical practice in India after completing MBBS in Nepal.

Purpose of NMCLE

- A licensure exam required by the Nepal Medical Council (NMC)
- Mandatory for all MBBS, MD, and MS graduates to practice in Nepal
